

Management Notice Regarding H1N1

In view of swine flu cases having been reported in Chennai, Kanchana Paati, My Grandma's Place requests the co-operation of parents to take the following precautions to prevent the spread of the virus:

1. We will not be able to accept the child at our centres if the child has a fever of 100 degree F or more. Temperature will be checked upon arrival. If the child develops a fever of 100 degree F or more during the day, we will call the parents to take child back home. We are equipped with a digital thermometer to check the temperature.
2. As a precautionary measure, parents are requested to visit the pediatrician or the family doctor and keep the children at home if they develop any of the following symptoms:

Fever

Cough and sore throat

Runny nose

Vomiting

Diarrhea

Restlessness and being irritable

Please do not send the children to the centre. Please keep them at home until they are free of any of the above symptoms for at least 48 hours. We will not be able to accept children showing these symptoms.

3. For children who have come from any affected country within the last 2 weeks or are in close contact with any one travelling from one of the affected countries(could be parents, relatives or neighbours etc.), we request them to stay alert for any of the above symptoms.

Please note that we have reviewed our hygiene processes and are bringing in more disinfecting routines at the centres, the details of which are available with the centre head. Please note that as the most important measure we are ensuring strict hand-wash guidelines for both staff and children.
